

Urgent Care

last year urgent care visits made up to
13 percent of all primary care
visits in the US*

The Urgent Care Survey offers insights into provider compensation and incentive payments most commonly used by urgent care practices and is a comprehensive source for urgent care compensation data.

SURVEY FEATURES

- Insights into compensation and incentive payments most commonly used by urgent care practices
- Includes data for both physicians and Advanced Practice Practitioners (APPs)
- Includes organizations with a variation in ownership models and practice sizes
- Detailed look at incentive metrics in a variety of areas including productivity, operational/efficiency, quality, and patient satisfaction
- A review of shift differentials: Who is using them? When? And at what rates?

PARTICIPATION DATES

Participation opens:
November 1, 2016

Participation deadline:
December 16, 2016

Anticipated Publication:
Late January
