

Scott Hamilton is the North American Managing Director of the Human Resources & Compensation Consulting division of Gallagher Benefit Services, Inc., which encompasses 15 offices and over 200 employees across the United States and Canada. Mr. Hamilton has extensive experience in developing programs which affect all aspects of health care pay delivery systems and alternative reward programs. With a diverse nation-wide client base, Gallagher consultants are involved in developing reasonable and timely HR, compensation and benefit solutions across the entire spectrum of the constantly changing health care environment.

Scott received his bachelor's degree in Economics from the University of Illinois, Urbana-Champaign, and his M.B.A. in Information Systems and Quantitative Methods from the Loyola University of Chicago Graduate School of Business.
