25+ years & **340+** benchmarks

The National Healthcare Staff Compensation Survey is one of the most recognized and valued staff compensation surveys available. Now in its 28th year, it provides a wealth of data for all positions, including salary structures, differentials, pay practices, compensation philosophies and hiring policies, incentive plans, and more.

SURVEY FEATURES

- Our 2017 survey featured data from nearly 1.5 million incumbents reported by over 1,550 organizations
- Data reported nationally and by region
- More than 340 benchmark positions
- Participants in our 2017 Staff Survey will be able to download a pre-populated survey containing their previously submitted data
- Bundle the National Healthcare Leadership and Staff Surveys to save
- Specialized data cuts available for participants, including: critical access hospitals, regional peer groups, state cuts, and more
